Such Unsecured Claims are not

classified as Lender Deficiency Claims, as that term is used in the Distribution Plan. Rather, such Unsecured Claims are classified and treated as "Other" unsecured creditor claims under the Distribution Plan.

Notwithstanding any contractual provision or applicable law that entitles the holder of a Class 7 Claim to demand or receive accelerated payment of such Claim after the occurrence of a default, Debtor shall not be required to pay any unpaid default interest or late charges that have accrued before or after the Petition Date in connection with a Class 7 Claim. Holders of a Class 7 Lien Claim secured by a Divestco Property shall retain their liens on their Collateral and may realize on their Collateral as allowed by law.

4.8 Class 8 (Investor Claims). Class 8 is unimpaired. Except for TICs who have entered into a TIC Settlement Agreement and Members who have entered into a Member Settlement Agreement, each holder of a Class 8 Claim will receive the treatment provided in the Distribution Plan. Certain Investors are entitled to make the elections described in Sections 4.8.1 through 4.8.4.

4.8.1. Member Value Election. Pursuant to the Distribution Plan, each Member of a Sunwest Entity that holds legal title to a Holdco Property to be sold or contributed to Acquirer may elect to either (a) file a Claim as an Investor and be treated as an Investor, or (b) waive all Claims and instead receive a distribution in cash in an amount equal to the value attributable to their ownership percentage in such Holdco Property as of March 2, 2009, plus

55% of any appreciation in value of their respective interest to the Effective Date, all as set forth in Exhibit 7 to the Distribution Plan (the "Member Value Election"). A Preferred Member or LLC Member that exercises the Member Value Election will not be treated as an Investor and will not be entitled to participate in the Rollover Equity Election or any Pari Passu Plan Distribution distributed in respect of recoveries premised on injuries to Investors, such as, without limitation, securities fraud, fraud in the inducement or other non-derivative claims. Preferred Members and LLC Members that exercise the Member Value Election will be paid in cash promptly following the determination, whether by agreement or Final Order of the Court, of the value attributable to their ownership percentage in Holdco Properties as provided in the Distribution Plan.

All Member Value Elections shall be made by delivering to Receiver and the CRO a written and signed notice of election identifying the Member making the election and the Holdco Property with respect to which the election is made. The notice of election shall be served and received as required by Section 11.16 of this Plan on or before 4:00 p.m. Pacific daylight time on the date first set for filing objections to confirmation of this Plan of Reorganization.

4.8.2. Trustco Subsidiary Member Election. Pursuant to the Distribution Plan, each Member of a Trustco Subsidiary may elect to retain a membership interest in the Trustco Subsidiary in lieu of receiving an Allowed Claim (the "Trustco Subsidiary Member Election"). Such election must have been made by delivering to the Receiver on or before the Claims Bar Date a notice of election concurrently with the delivery of its Proof of Claim. In the event a Member has made the Trustco Subsidiary Member Election, then the Member will not be treated as an Investor and will not receive any distribution under the Distribution Plan on account of an Allowed Unsecured Claim. Rather, the electing Member will retain a membership interest in the Trustco Subsidiary. Each such electing Member shall execute an amended and restated

operating agreement, in a form approved by the Court, that contains provisions including, but not limited to, the following provisions with respect to Member's membership interest.

(a) Member will receive no distribution for two full years following the Effective Date, except for distributions necessary to pay any tax or income attributed to the Member;

(b) Member may receive distributions from operating income for the third and fourth years following the Effective Date that equal in amount a return on the value attributed to their ownership percentage as of March 2, 2009, determined as set forth in Exhibit 7 to the Distribution Plan ("Member's Adjusted Capital Account"). The return will be equal to a rate calculated by (1) adding 265 basis points to the Bank of America published five-year certificate of deposit rate on the first business day of the third year following the Effective Date, and (2) dividing by two;

(c) Thereafter, Member will receive distributions based on Member's Adjusted Capital Account;

(d) Upon sale of the Trustco Property in which the Trustco Subsidiary has an interest, Member shall receive a distribution equal to the Member's Adjusted Capital Account, plus 55% of any appreciation in value of such Trustco Property to the date of sale, with recognition that Member's interest is not a controlling interest; and

(e) Member shall have no role, veto, management rights or authority whatsoever with respect to the Trustco Subsidiary, its ownership, operation, sale, or merger.

4.8.3. Rollover Equity Election. Only Investors who have not filed an appeal to the Confirmation Order, Substantive Consolidation Order, Sale Order, or TIC Transfer Order, are qualified to be Rollover Investors. Each Rollover Investor is entitled to participate in the Rollover Equity Election, subject to the terms of Section 2.6(f) of the APA. A Rollover Investor may exercise the Rollover Equity Election by delivering to Receiver and CRO a signed and complete Notice of Rollover Equity Election in the form attached to this Plan as Exhibit 11 and

thereafter taking such other actions as are necessary or appropriate to become a member of Rollover Member LLC. All such notices shall be served on the Receiver and the CRO in the manner provided in Section 11.16 of this Plan and must be received by both the Receiver and the CRO on or before 4:00 p.m. Pacific daylight time on the date first set for filing objections to confirmation of this Plan of Reorganization.

Any Investor (other than a TIC who has executed and performed a TIC Settlement Agreement or a Member who has executed and performed a Member Settlement Agreement) that does not timely and properly exercise the Rollover Equity Election shall receive a cash distribution in respect of its Investor Claim and shall not receive any Rollover Equity Interests.

4.8.4. Bare Land TIC Election. For any given Bare Land Property, Bare Land TICs holding a minimum of 85% of the TIC Interests in the Bare Land Property may elect (each an "Electing Bare Land TIC") to withdraw the Bare Land Property from Debtor's estate by fulfilling each of the following conditions and procedures:

4.8.4.1 The TIC Interests of the non-electing Bare Land TICs (each a "Non-Electing Bare Land TIC") in the subject Bare Land Property shall be conveyed, together with Debtor's TIC Interest in the Bare Land Property, to the Electing Bare Land TICs pursuant to a TIC Settlement Agreement or TIC Transfer Order.

4.8.4.2 Electing Bare Land TICs will assume all debts and other obligations secured by the Bare Land Property, including all mortgage debt, real estate taxes, and other liens. Electing Bare Land TICs reserve the right to contest the validity and amount of such assumed obligations. Debtor shall not further encumber the Bare Land Property with any additional secured debt or liens.

4.8.4.3 Electing Bare Land TICs shall release all Claims against Debtor, its estate and the Receivership Estate, including all rights to distributions under the Distribution

Plan. Further, Electing Bare Land TICs will release all Claims against the HFG Parties, all Sunwest Entities, and all employees, agents and representatives of all Sunwest Entities.

4.8.4.4 All Electing Bare Land TICs shall assign to the Litigation Trust all Third Party Claims shared by all Bare Land TICs with TIC Interests in the subject Bare Land Property. Individual claims (those claims not held in common with all Bare Land TICs in the subject Bare Land Property, such as claims against brokers) will not be assigned to Receiver.

4.8.4.5 Electing Bare Land TICs shall obtain releases from secured lenders, if any, having a security interest in or lien on the subject Bare Land Property of any Claims against Debtor, its Estate, the Sunwest Entities, or the Receivership Estate, together with a release of all personal guaranties other than any guaranties executed by the Electing Bare Land TICs.

4.8.4.6 The releases and assignments required by Sections 4.8.3.3 through 4.8.3.5 apply only to claims related to or arising from the Bare Land Property subject to the Bare Land TIC Election.

4.8.4.7 The Claims of Non-Electing Bare Land TICs shall be allowed and treated as provided in this Plan and the Distribution Plan, and shall not be affected by the election of other Bare Land TICs.

4.8.4.8 Electing Bare Land TICs shall purchase Debtor's interest in the subject Bare Land Property for Debtor's Pro Rata share of the Property's Net Current Fair Market Value. Debtor's Pro Rata share shall include any TIC Interests in the property transferred by a Non-Electing Bare Land TIC pursuant to a TIC Settlement Agreement or TIC Transfer Order. Net Current Fair Market Value, as used in this section, will equal the current fair market value of the Bare Land Property minus all debts secured by the property that are being assumed by Electing Bare Land TICs. If Electing Bare Land TICs and Debtor cannot reach agreement on the Net Current Fair Market Value of the subject Bare Land Property, the parties will select an appraiser to determine the Net Current Fair Market Value of the Bare Land Property. If the

parties cannot agree on the appraiser, then the parties shall each submit a list of up to three acceptable appraisers, with background information on each proposed appraiser, to the Honorable Lyle C. Velure, as mediator ("Mediator"). From the lists submitted by both parties, the Mediator shall select one appraiser. The selected appraiser shall appraise the subject Bare Land Property, and the costs of the Mediator and the appraiser will be split evenly between the parties. The valuation determined by the appraiser as the Net Current Fair Market Value of the subject Bare Land Property will be binding on all parties.

4.8.4.9 Electing Bare Land TICs shall be entitled to a credit against the purchase price of Debtor's interest in the Bare Land Property equal to 6% of the Net Current Fair Market Value of the Bare Land Property. In the event the 6% exceeds the value of Debtor's interest in the subject Bare Land Property, the Electing Bare Land TICs may not apply that excess to other amounts owed to Debtor or the Receivership Estate.

4.8.4.10 Electing Bare Land TICs shall repay to Debtor all cash lease payments received by TICs in the subject Bare Land Property, including all cash lease payments received by Non-Electing Bare Land TICs, from and after January 1, 2006.

4.8.4.11 Electing Bare Land TICs cannot receive value based on the Net Current Fair Market Value of the subject Bare Land Property as determined by the appraiser pursuant to Section 4.8.4.8 in excess of 100% of their original investment in the subject Bare Land Property. Electing Bare Land TICs must pay to Debtor any amount by which the Current Fair Market Value exceeds 100% of their original investment.

4.8.4.12 All amounts due to Debtor or the Receivership Estate under this Bare Land Election can be paid in cash with a 10% discount at the time of closing of the contemplated transaction or by a promissory note secured by a first priority lien on the subject Bare Land Property or, if the subject Bare Land Property is currently encumbered by a trust deed, a second priority lien on the subject Bare Land Property. The promissory note will be in an amount payable to Debtor or the Receivership Estate calculated pursuant to this Section 4.8.4

and will bear simple interest at a rate equal to 4% per annum. The promissory note will be payable in full, together with all accrued and unpaid interest, on the earlier of the last day of the 36th month following the closing of the transaction or the date of sale or refinance of the subject Bare Land Property. Each of the Electing Bare Land TICs shall have several liability on the promissory note in the amount of each Electing Bare Land TIC's Pro Rata ownership interest in the Bare Land Property.

4.8.4.13 Each Electing Bare Land TIC shall receive a non-warranty deed from the Receiver for the Electing Bare Land Property TIC's Pro Rata share of Debtor's interest in the Bare Land Property. To the extent in the possession or control of Debtor or the Receiver, the Receiver or the CRO shall transfer to the electing Bare Land TICs relevant information and documentation regarding the subject Bare Land Property, including land use materials, marketing materials, environmental reports, appraisals, engineering and feasibility studies, plans and drawings, and similar information and documentation. Further, to the extent assignable, and at no cost to Debtor or the Receiver, Debtor or Receiver will assign to Electing Bare Land TICs all entitlements, such as land use approvals and building permits, for the subject Bare Land Property.

4.8.4.14 Payments made by TICs to protect the value of the subject Bare Land Property and its improvements or to avoid foreclosure ("Protective Payments"), providing such advances have been or are explicitly approved by the CRO or the Receiver, shall be deducted from the total amount due to Debtor or the Receivership Estate.

4.8.4.15 Land Sold Prior to Effective Date - Debtor is in the process of selling three parcels of bare land to third-party buyers. TICs with TIC Interests in these properties shall be eligible for the Bare Land election on the same terms as other Bare Land TICs, with the following exceptions:

4.8.4.15.1 Electing Bare Land TICs must pay Debtor's or Reorganized Company's out-of-pocket selling expenses, including brokers' fees, transfer taxes,

and escrow and other closing costs, in addition to making all other payments and meeting all other conditions required under the election;

4.8.4.15.2 Electing Bare Land TICs must pay Debtor or Reorganized Company for administrative costs in selling the property, subject to the following caps:

(a) For properties with a sale price up to and including \$500,000, 3% of the sale price;

(b) For properties with a sale price from over \$500,000, up to and including \$1 million, 2.5% of the sale price; or

(c) For properties with a sale price over \$1 million, 2% of the sale price.

4.8.4.15.3 Payment of Debtor or Reorganized Company's out-of-pocket selling expenses and administrative costs shall be subject to Court approval;

4.8.4.15.4 In return for meeting the conditions of the Bare Land Election, instead of receiving title to the land, Electing Bare Land TICs will be paid cash directly from the sale; and

4.8.4.15.5 Reorganized Company shall cooperate with the Bare Land TICs, at no cost to Reorganized Company, in attempting to structure the sale of the Bare Land TICs' interest in the property as a sale qualifying under IRC Section 1031 for the Bare Land TICs so electing.

4.8.4.15.6 Debtor will dismiss the TIC Transfer Proceedings pending against Electing Bare Land TICs who have fully performed all obligations under the Bare Land TIC Election. Electing Bare Land TICs shall have the right to revoke the Bare Land TIC Election for a period of 30 days following the date on which the Net Current Fair Market Value of the subject Bare Land Property has been determined pursuant to Section 4.8.3.8. Any

Electing Bare Land TIC that revokes a Bare Land TIC Election shall receive only cash distributions on account of its Unsecured Claim.

4.9 Class 9 (HFG Parties). Class 9 is unimpaired. Each holder of a Class 9 Claim will receive the treatment provided in the HFG Settlement.

ARTICLE 5

CLAIM ALLOWANCE

Only Claims that are Allowed as provided in this Plan, the Distribution Plan, Distribution Plan Approval, and related orders entered in the Federal Receivership Case or this Case, shall be entitled to distributions under the Plan. Section 502(d) of the Bankruptcy Code shall be applicable to the allowance of all Claims and the making of all distributions provided in this Plan, and no election or right to an election shall constitute a waiver or release of the application of such section. Allowance of Administrative Expense Claims shall be governed by the Bankruptcy Rules and Orders of the Court. The Secured Claim of each Secured Creditor will be allowed and treated as set forth in this Plan. The distribution payable to each Preferred Member and LLC Member that has timely delivered a notice of the exercise of the Member Value Election shall be determined and paid as provided in this Plan, the Distribution Plan and the Distribution Plan Approval and shall be subject to the application of Section 502(d) of the Bankruptcy Code.

ARTICLE 6

MEANS TO EFFECTUATE PLAN

6.1 Effective Date Transfers

6.1.1. Pursuant and subject to the terms and conditions of the APA, on and after the Effective Date, Proponents, Reorganized Company and SWP will sell, assign, transfer, and contribute the Holdco Properties and assign the Assumed Holdco Executory Contracts and Unexpired Leases and Resident Contracts to Acquirer free and clear of the Excluded Obligations

and all claims, liens, encumbrances and other interests arising before the Effective Date (except as permitted by the APA) and will otherwise perform their obligations under the APA.

6.1.2. Except as may otherwise be provided in a separate order of the Court, on the Effective Date, each Divestco Property will either (a) at the option (as provided in Section 4.4.1.2 of this Plan) of the Secured Creditor, be transferred to the Secured Creditor holding an Allowed Secured Claim secured by such Divestco Property by delivering to such Secured Creditor a deed in lieu of foreclosure and related transfer documents in full satisfaction of the Secured Creditor's Allowed Secured Claim; or (b) be abandoned. Reorganized Company shall have no liability of any kind or nature with respect to any Divestco Property from and after the Effective Date.

6.1.3. Except as otherwise provided in a separate order of the Court, Proponents and Reorganized Company will sell, transfer and assign the Trustco Properties, together with Assumed Trustco Executory Contracts and Unexpired Leases, to Trustco, subject to liens and security interests securing the Allowed Secured Claim of any Secured Creditor as provided in this Plan.

6.2 Sale, Exchange or Contribution of TIC Interests

6.2.1. TIC Interests in Holdco Properties will either be (a) conveyed to Acquirer by Debtor pursuant to a TIC Transfer Order; (b) contributed pursuant to a TIC Settlement Agreement by the TIC holding the TIC Interest to Rollover Member LLC in exchange for equity interests in Rollover Member LLC and thereafter contributed by Rollover Member LLC to Acquirer in exchange for Rollover Equity Interests; or (c) conveyed directly to Acquirer pursuant to a TIC Settlement Agreement.

6.2.2. Subject to the Bare Land TIC Election or a TIC Settlement Agreement approved by the Court, TIC Interests in Trustco Properties will be transferred and conveyed to Trustco pursuant to a TIC Transfer Order in exchange for Investor Claims.

6.2.3. The transfer and conveyance of TIC Interests to Acquirer and to Trustco is necessary to, and a condition of, the effectiveness of this Plan of Reorganization.

6.3 Rollover Member LLC

6.3.1. Rollover Member LLC will hold the Preferred Interests and Common Interests on behalf of Rollover Investors. Each such Rollover Investor must execute a copy of the Rollover Member LLC Agreement and a subscription agreement to become a member of Rollover Member LLC.

6.3.2. Receiver, acting solely in his capacity as federal equity receiver under the Receivership Order, will be the initial manager of Rollover Member LLC and will serve until the later of December 31, 2010 or the date on which a Board of Managers is elected, qualified and approved by the Court. The compensation of Receiver, serving in his capacity as initial Manager, will be determined by Order of the Court.

6.3.3. On January 1, 2011, or as soon thereafter as reasonably practicable, the members of Rollover Member LLC will elect a Board of Managers, comprised of three persons, a majority of whom will not be "interested persons" as such term is defined in 15 U.S.C. § 80a-2(a)(19). The Managers will receive such compensation as is approved by the members of Rollover Member LLC. Receiver and the Board of Managers will take all actions necessary or appropriate to issue and distribute the equity interests in Rollover Member LLC to Rollover Investors that executed the Rollover Member LLC Agreement. Rollover Member LLC will have three classes of interests: common interests, preferred interests and a profit participation interest. The common interests and preferred interests will mirror the economic but not the governance terms of the Common Interests and Preferred Interests to be issued by Acquirer to Rollover Member LLC pursuant to the terms of the APA. The common interests and preferred interests in Rollover Member LLC will be distributed to Rollover Investors Pro Rata pursuant to the terms of the Distribution Plan based on the initial book value of such common interests and preferred interests. In the event that either the common interests or the preferred interests are over-

subscribed as a result of the number of Investors executing the Common Rollover Election or the Preferred Rollover Election, then the first level of priority in allocating such interests will be to TICs who have entered into and performed a TIC Settlement Agreement (each a "Settling TIC"). The second level of priority in allocating such interests will be to SWP for the benefit of its limited partners. The third level of priority in allocating such interests will be to Members who have entered into and performed a Member Settlement Agreement (each a "Settling Member"). In the event there are insufficient equity interests to allocate in full to any of the foregoing priority groups, the interests will be allocated Pro Rata among the last such priority group for whom interests are available. After allocation of available equity interests to Settling TICs, SWP and Settling Members, any remaining common interests and preferred interests available for distribution to Rollover Investors will be allocated Pro Rata among Rollover Investors.

6.3.4. In addition to the common interests and preferred interests of Rollover Member LLC to be issued and distributed to Rollover Investors, Rollover Member LLC shall include a non-voting profits participation interest pursuant to which the HFG Parties will be entitled to receive distributions from Rollover Member LLC upon the occurrence of certain events pursuant to the terms of the HFG Settlement. The holders of such profits interest shall not be entitled to vote, or to be considered in determining whether there shall exist a quorum with respect to any matter upon which Rollover Investors are entitled to vote.

6.3.5. Reorganized Company shall provide a loan facility to Rollover Member LLC in an amount up to \$2,000,000 that will be available to Rollover Member LLC for the purpose of allowing Rollover Member LLC to finance its operating and compliance expenses. All advances made by Reorganized Company to Rollover Member LLC will bear interest from the date of the advance until repaid at a rate equal to 6% per annum. All obligations owing by Rollover Member LLC to Reorganized Company shall be due and payable in full, with interest, on the third anniversary of the Effective Date. Rollover Member LLC and Reorganized Company will execute a loan agreement in a form acceptable to the Receiver and the CRO.

6.3.6. Ford Elsaesser will serve as the representative of Rollover Member LLC on the Board of Directors of Acquirer. In the event Ford Elsaesser resigns as representative, or is otherwise unwilling or unable to serve as representative, the Board of Managers of Rollover Member LLC will select his successor.

6.3.7. Except for the issuance of member interests and the compensation of Receiver as the initial administrator, Rollover Member LLC is authorized to enter into contracts, pay and perform its obligations, conduct its business, and otherwise operate without order or supervision of the Court.

6.3.8. The Court shall have and retain exclusive jurisdiction over all disputes that may arise under the Rollover Member LLC Agreement.

6.4 Trustco

6.4.1. Trustco will hold, manage and sell the Trustco Subsidiaries and Trustco Properties. Receiver will be the sole member and manager of Trustco.

6.4.2. Trustco, and each Member who has made a Trustco Subsidiary Member Election pursuant to Section 4.8.2 of this Plan, shall execute an amended and restated operating agreement for the Trustco Subsidiary in which the Member has retained a membership interest. Each operating agreement will recognize Trustco as a member and sole manager, and incorporate the economic and management terms set forth in Section 4.8.2 relating to the rights and interests of the Member electing the Trustco Subsidiary Member Election.

6.4.3. Subject to and conditioned on the prior satisfaction of and performance by each Member who has elected the Trustco Subsidiary Member Election, Trustco will convey equitable title or cause equitable title to be conveyed to each Trustco Property to the Trustco Subsidiary that retains legal title to such Trustco Property.

6.4.4. Reorganized Company shall provide credit accommodations to Trustco by:

(a) Advancing funds to pay in full all Class 7 Lien Claims and Priority Tax Claims secured by a Trustco Property;

(b) Advancing funds to cure any defaults on Assumed Executory Contracts and Unexpired Leases listed on Exhibit 5-2 to this Plan;

(c) Advancing funds to pay in full any Class 1 Other Priority Claims arising out of or related to Trustco Properties or Trustco Subsidiaries; or

(d) Extending a loan facility to Trustco in an amount up to \$1,000,000 for the purpose of enabling Trustco to fund its operations.

All funds advanced pursuant to this Section (the "Trustco Credit Accommodations") will accrue interest from and after the date of the advance until repaid at a rate equal to 15% per annum. The Trustco Credit Accommodations will be the joint and several obligation of Trustco and each Trustco Subsidiary, and will be due and payable in full prior to any distribution to any Member who has elected the Trustco Subsidiary Member Election. The Trustco Credit Accommodations will be evidenced by such loan agreements as are satisfactory to Reorganized Company and Receiver.

6.4.5. Trustco Properties shall be sold or otherwise disposed of within seven years of the Effective Date. Proceeds from the sale or disposition of Trustco Properties remaining after payment of all debts, including the Trustco Credit Accommodations, shall be distributed to members of Trustco and Trustco Subsidiaries pursuant to the terms of their operating agreements.

6.5 Distribution of Cash Proceeds. All cash proceeds from the sale or contribution of Holdco Property, and any other sale, lease or disposition of Debtor's or Reorganized Company's assets, remaining after the payment or funding of (or reservation of funds sufficient to pay or fund) Debtor's or Reorganized Company's obligations under this Plan, will be disbursed to Receiver to be paid or distributed pursuant to the Distribution Plan.

6.6 SWP Settlement Contribution. In order to allow SWP to contribute its interests in Holdco Properties pursuant to Section 6.1.1 of this Plan, Debtor will waive and release its rights under its option agreements with SWP pursuant to which Debtor has the right to repurchase such interests. SWP will contribute its interests in Holdco Properties pursuant to Section 6.1.1 of this Plan and receive cash and common interests in Rollover Member LLC in the priority set forth in Section 6.3.3 of this Plan in amounts sufficient to allow it to make distributions to its limited partners as required by the Distribution Plan and to meet its note obligations to Debtor.

6.7 Corporate Action. Upon entry of the Confirmation Order, all actions to be taken by or on behalf of Debtor and Reorganized Company as contemplated by this Plan or the APA shall be authorized and approved in all respects, including, without limitation, the execution, delivery and performance of all documents and agreements relating to or provided by the Plan or the APA. On the Effective Date, the CRO is authorized and directed to execute and deliver all agreements, documents and instruments contemplated by the Plan, the APA or the Disclosure Statement in the name of and on behalf of Debtor, Reorganized Company, and each Sunwest Entity. The CRO is further authorized to take all actions which, in his discretion, he deems necessary or appropriate to close the transactions contemplated by this Plan and otherwise to cause Debtor and Reorganized Company to perform their obligations under this Plan.

ARTICLE 7

EXECUTORY CONTRACTS AND UNEXPIRED LEASES

7.1 Assumption. Except as may otherwise be provided in a separate order of the Court, the Assumed Executory Contracts and Unexpired Leases and all Resident Contracts are assumed by Debtor on the Effective Date. The Confirmation Order shall constitute an order authorizing assumption of the Assumed Executory Contracts and Unexpired Leases and all Resident Contracts except those otherwise specifically rejected by separate order of the Court. Subject to the APA (including the condition that Acquirer is not assuming any Excluded Obligations), Reorganized Company shall promptly pay, or provide adequate assurance of

prompt payment of, all amounts required under Section 365 of the Bankruptcy Code to cure any defaults and assume the Assumed Executory Contracts and Unexpired Leases and Residential Contracts.

7.2 Assignment. Subject to the APA (including the condition that Acquirer is not assuming any Excluded Obligations), Assumed Executory Contracts and Unexpired Leases and Resident Contracts shall be assigned, as of the Effective Date, to and assumed by Acquirer or Trustco with respect to Assumed Executory Contracts and Unexpired Leases affiliated with Trustco Properties, all as more particularly identified in the Confirmation Order. Management Contracts will be assigned as provided in the Confirmation Order. The Confirmation Order shall constitute an order authorizing such assignment and assumption.

7.3 Rejection. All executory contracts and unexpired leases that are not assumed pursuant to Section 7.1 of this Plan or Order of the Court are rejected as of the Effective Date (unless otherwise terminated by Debtor in accordance with its terms), including, without limitation, any option to purchase a TIC Interest pursuant to any one or more tenant in common agreement, master lease agreement, sponsor purchase option agreement or similar agreement.

7.4 Rejection Claims. Rejection Claims must be Filed pursuant to the Distribution Plan Approval, Distribution Plan or other Order entered in the Federal Receivership Case no later than 30 days after the Effective Date. Any such Rejection Claim not Filed within such time shall be forever barred from assertion against the Receivership Estate, Debtor, Reorganized Company and their property and estates. Each Rejection Claim resulting from such rejection shall constitute a Class 6 Claim.

ARTICLE 8

EFFECT OF CONFIRMATION

The effect of confirmation shall be as set forth in Section 1141 of the Bankruptcy Code. Except as otherwise provided in the Plan, the Confirmation Order or the Distribution Plan, confirmation of the Plan shall act as a permanent injunction applicable to Claimants against

(a) the commencement or continuation, including the issuance or employment of process, of a judicial, administrative, or other action or proceeding against Debtor, any Sunwest Entity, any successor to Debtor, Acquirer, or any other entity acquiring assets from Debtor, that was or could have been commenced against Debtor before the entry of the Confirmation Order; (b) the enforcement against Debtor, any successor to Debtor, Acquirer, or any other entity acquiring assets from Debtor, or their assets, of a judgment obtained against Debtor before the Petition Date; and (c) any act to obtain possession of or to exercise control over, or to create, perfect, or enforce a lien upon all or any part of the assets of Debtor or the assets of any entity acquired from Debtor pursuant to this Plan. Nothing in this Article shall enjoin or otherwise impair the assertion or enforcement by the Securities and Exchange Commission, or any other federal or state regulatory agency, of any claim or right against Debtor, any Sunwest Entity or the HFG Parties.

ARTICLE 9

RETENTION OF JURISDICTION

9.1 Notwithstanding the entry of the Confirmation Order, the Court shall retain jurisdiction of this Chapter 11 Case pursuant to and for the purposes set forth in Section 1127(b) of the Bankruptcy Code and to:

9.1.1. Classify the Claim or Interest of any Creditor or Claimant, reexamine Claims or Interests that have been Allowed for voting purposes, and determine any objections that may be Filed to Claims or Interests;

9.1.2. Determine requests for payment of Administrative Expense Claims entitled to priority under Section 507(a)(2) of the Bankruptcy Code;

ARTICLE 10

ADMINISTRATIVE PROVISIONS

10.1 Modification or Withdrawal of the Plan. Proponents may alter, amend or modify the Plan pursuant to Section 1127 of the Bankruptcy Code and Bankruptcy Rule 3019 at any time prior to the time the Bankruptcy Court has signed the Confirmation Order. After such time,

and prior to substantial consummation of the Plan, Proponents may, so long as the treatment of holders of Claims and Interests under the Plan is not adversely affected, institute proceedings in Bankruptcy Court to remedy any defect or omission or to reconcile any inconsistencies in the Plan, the Disclosure Statement or the Confirmation Order and any other matters as may be necessary to carry out the purposes and effects of the Plan; provided, however, that prior notice of such proceedings shall be served in accordance with Bankruptcy Rule 2002.

10.2 Revocation or Withdrawal of Plan

10.2.1. Right to Revoke. Proponents reserve the right to revoke or withdraw the Plan at any time prior to the Effective Date.

10.2.2. Effect of Withdrawal or Revocation. If Proponents revoke or withdraw the Plan prior to the Effective Date, then the Plan shall be deemed null and void. In such event, nothing contained herein shall be deemed to constitute a waiver or release of any claims by or against Debtor, or any other Entity, or to prejudice in any manner the rights of Proponents or any Entity in any further proceeding involving Debtor.

10.3 Nonconsensual Confirmation. Proponents shall request that the Bankruptcy Court confirm the Plan pursuant to Section 1129(b) of the Bankruptcy Code if the requirements of all provisions of Section 1129(a) of the Bankruptcy Code, except Subsection 1129(a)(8), are satisfied.

10.4 Conditions to Effectiveness. The Effective Date will not occur and the Plan will not become effective unless and until each of the following conditions has been satisfied or waived by Proponents:

11.2 Utility Deposits. All utilities holding a Utility Deposit shall immediately after the Effective Date return or refund such Utility Deposit to Debtor. At the sole option of Debtor, any Utility Deposit that has not been refunded may be applied in satisfaction of any payments due or to become due from Reorganized Company to a utility holding such a Utility Deposit.

11.3 Rights of Action. Except as otherwise expressly provided herein, any rights or causes of action (including, without limitation, any and all avoidance actions or other causes of action arising under Chapter 5 of the Bankruptcy Code) accruing to Debtor shall remain assets of Reorganized Company. Debtor may pursue such rights of action, as appropriate, and shall pay and deliver any proceeds, after payment of related legal fees and expenses, and fees arising under 28 U.S.C. § 1930, to the Litigation Trust.

11.4 Setoffs. Except with respect to any Claims that are transferred to Acquirer, Debtor or Reorganized Company may, but shall not be required to, set off against any Claim and the distributions to be made pursuant to the Reorganization Plan in respect of such Claim, any claims of any nature whatsoever which Debtor may have against the holder of such Claim, but

neither the failure to do so nor the allowance of any Claim hereunder shall constitute a waiver or release of any such claim Debtor may have against such holder.

11.5 Discharge of Inter-Entity Obligations. Except as otherwise expressly provided herein, on the Effective Date, all obligations between or among any Sunwest Entities are discharged.

11.6 Termination of Options. On the Effective Date, all options to purchase any TIC Interest pursuant to any one or more tenant in common agreements, master lease agreements, sponsor purchase option agreements, or similar agreements, are terminated and released, other than any options expressly reserved or created elsewhere in the Plan.

11.7 Property Acquisition. Consistent with tax objectives, additional properties may be acquired by or for the benefit of SWP Holdings, LP.

11.8 Governing Law. Except to the extent the Bankruptcy Code, the Bankruptcy Rules or other federal laws are applicable, or as otherwise provided in the APA or the Acquirer LLC Agreement, the laws of the State of Oregon shall govern the construction and implementation of the Plan, and all rights and obligations arising under the Plan.

11.9 Withholding and Reporting Requirements. In connection with the Plan and all instruments issued in connection therewith and distributions thereon, Debtor and Reorganized Company shall comply with all withholding, reporting, certification and information requirements imposed by any federal, state, local or foreign taxing authority, and all distributions hereunder shall, to the extent applicable, be subject to any such withholding, reporting, certification and information requirements. Entities entitled to receive distributions hereunder shall, as a condition to receiving such distributions, provide such information and take such steps as Debtor or Reorganized Company may reasonably require to ensure compliance with such withholding and reporting requirements, and to enable Debtor or Reorganized Company to obtain the certifications and information as may be necessary or appropriate to satisfy the provisions of any tax law.

11.10 Time. Unless otherwise specified herein, in computing any period of time prescribed or allowed by this Plan, the day of the act or event from which the designated period begins to run shall not be included. The last day of the period so computed shall be included, unless it is not a Business Day, in which event the period runs until the end of the next succeeding day that is a Business Day.

11.11 Section 1146(a) Exemption. Pursuant to Section 1146(a) of the Bankruptcy Code, the issuance, transfer or exchange of any security under the Plan, or the execution, delivery or recording of an instrument of transfer pursuant to, in implementation of, or as contemplated by the Plan, or the revesting, transfer, conveyance or sale of any real or personal property, including any TIC Interest, of Debtor, Reorganized Company or a TIC, and any transfers and conveyances of the Holdco Property to Acquirer pursuant to, in implementation of, or as contemplated by the Plan, shall not be taxed under any state or local law imposing a document recording tax, conveyance fee, sales tax, stamp tax, deed stamp, transfer tax, mortgage tax, filing or recording fee, intangibles or similar tax, or similar tax or fee. Consistent with the foregoing, each recorder of deeds or similar official for any city, county or governmental unit in which any instrument hereunder is to be recorded shall, pursuant to the Confirmation Order, be ordered and directed to accept such instrument without requiring the payment of any documentary, recording tax, stamp tax, conveyance fee, sales tax, mortgage tax, filing or recording fee, deed stamp, transfer tax, intangibles tax or similar tax, or similar tax or fee.

11.12 Severability. In the event any provision of the Plan is determined to be unenforceable, such determination shall not limit or affect the enforceability and operative effect of any other provisions of the Plan. To the extent any provision of the Plan would, by its inclusion in the Plan, prevent or preclude the Bankruptcy Court from entering the Confirmation Order, the Bankruptcy Court, on the request of Proponents, may modify or amend such provision, in whole or in part, as necessary to cure any defect or remove any impediment to the confirmation of the Plan existing by reason of such provision

11.13 Binding Effect. The provisions of the Plan shall bind Debtor, Reorganized Company, Claimants, Creditors, Investors, and all holders of Interests, and their respective successors, heirs and assigns.

11.14 Retiree Benefits. On or after the Effective Date, to the extent required by Section 1129(a)(13) of the Bankruptcy Code, Reorganized Company shall continue to pay all retiree benefits (if any) as that term is defined in Section 1114 of the Bankruptcy Code, maintained or established by Debtor prior to the Effective Date, without prejudice to the rights of Reorganized Company under applicable non-bankruptcy law to modify, amend or terminate the foregoing arrangements.

11.16 Plan Controls. In the event and to the extent that any provision of the Plan is inconsistent with the provisions of the Disclosure Statement, or any other instrument or agreement contemplated to be executed pursuant to the Reorganization Plan (other than the APA and Acquirer LLC Agreement, which shall each control in the event of any inconsistency with the Plan), the provisions of the Plan shall control and take precedence.

11.17 Exhibits. All Exhibits to this Plan are incorporated into and are a part of this Plan as if set forth in full herein.

11.18 Effectuating Documents and Further Transactions. Debtor and Reorganized Company shall execute, deliver, file or record such contracts, instruments, assignments and other agreements or documents, and take or direct such actions as may be necessary or appropriate, to effectuate and further evidence the terms and conditions of this Plan.

11.19 Notices. All notices required or elections allowed to be served on Debtor or Reorganized Company in connection with this Plan shall be writing and served by hand delivery
